

# INSTALLATION STEPS

# 3D-112

Modern appearance, stable quality, practicability & multiformity  
Package and spotlight are available as accessories

## STEP 1

Diagram illustrating the assembly of the frame. The main diagram shows a curved frame with numbered points 1 through 7. A small inset shows the 'Front' and 'Top' views of the frame. Three sub-diagrams illustrate the assembly process:

- a**: Shows the frame being bent into its final shape.
- b**: Labeled "CONNECT", showing two tubes being joined together.
- c**: Labeled "PRESS", showing a hand snapping a tube into place.

If can't snap when dismantle the frame, Pls push the tube forwardly, then push again.

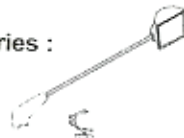

## STEP 2

Diagram illustrating the insertion of the graphic into the frame. The graphic is labeled "GRAPHIC" and is shown being inserted into the frame from the right side, as indicated by the arrow.

## STEP 3

Diagram illustrating the final assembly. The graphic is now in place, and the frame is being secured. A circular inset shows a hand using a screwdriver to tighten a screw on the back of the frame.

Optional accessories :
